Free Football Game and first function in new SUB

Prediction: The greatest number of CPS alumni ever to gather in one place will assemble on the campus Saturday, Oct. 17, 1959. That's the Alumni Homecoming Committee's forecast, and they have lined up several "firsts" to make it a reality.

Klaus Wills
Collegiate Co-chairman

For the first time in CPS history, all Alumni and their wives or husbands will be admitted free to the Homecoming Football Game. Coach John Heinrick's Loggers, tabbed as one of the 1959 powers of the Evergreen Conference, will play the highly regarded Whitworth Pirates. Alums will be mailed free tickets in early Oct., and need only to present them at the game Saturday afternoon after the Alumni luncheon.

Another "first": The traditional Alumni Luncheon will be the first major function to be held in the new Student Union Bldg. The huge \$1,000,000 building, which has been under construction for the past 12 months, will be open for Alumni inspection. The luncheon, which is free to Alums, will be held in the new dining room.

Looking further down the row of "firsts" which the committee has lined up, a number of prominent speakers will address the Luncheon audience. President Thompson will keynote the program, and Alumni President Willard Gee will be master of ceremonies.

Don Jaenicke '52 Jack Fabulich '52
Alumni Co-chairmen

Alumni Homecoming Committee co-chairmen Jack Fabulich and Don Jaenicke and Alumni Director Bob Hunt will announce additional Homecoming details in a special October 1st bulletin. In the meantime, they ask you to put a red circle on your calendar for the big day: October 17.

Dr. Chapman Retires

Alumni Director Travels to Mackinac Island

This past June, for the first time in several years, the College of Puget Sound Alumni Assn. was represented at the American Alumni Council Gen'l Conference. Robert Hunt traveled to Mackinac Island, Mich., where 400 colleges, universities and organizations attended a varied program devoted to alumni promotion.

With a "How To" theme, conference sessions featured operation of alumni programs, fund-raising ideas for education, editing of alumni publications.

"Howard Mort, a recent president of the AAC and executive secretary of the Univ. of Chicago Alumni Assn., was of tremendous aid to me," said Bob. "And I found it most impressive to meet with men who have devoted 25 years to alumni work.

"Among the speakers was George W. Romney, president of the American Motors Corp., whose subject was "America's Unfinished Revolution." Known for his popular comments on the Revolution of the Dinosaur (Mr. Romney's name for the big cars of America), Mr. Romney's speech dealt with education. "He stated that through every great revolution education has been, not only the cause, but the result. He feels that for 50 years we've been on the threshold of the greatest revolution in the history of the world, and that is American education.

"The setting for the conference was a picturesque one full of historical significance. And The Grand Hotel, where events of the conference were held, is famous for its beauty and service."
